

# RE-NOTICE OF APPLICATION

A Master Application has been filed and accepted with the Department of Community & Economic Development (CED) – Planning Division of the City of Renton. The following briefly describes the application and the necessary Public Approvals.

**DATE OF RE-NOTICE OF APPLICATION:** May 11, 2016

**PROJECT NAME/NUMBER:** Mead Short Plat / LUA16-000138, SHPL-A, MOD

**PROJECT DESCRIPTION:** The applicant is requesting approval of a 7-lot short plat of a vacant parcel (APN 1023059230) totaling 58,591 square feet (1.35 acres) for the future development of 7 single-family houses. The subject property is located near the intersection of Ilwaco Ave NE and NE 5th Pl in the Renton Highlands. The parcel is located within the Residential-8 dwelling units per acre (R-8) zone. The proposed lots range in size from 5,000 to 5,613 square feet (sf) in area with an average lot size of 5,199 sf. The site will also contain a 5,122 sf stormwater vault tract (Tract A) a 2,319 sf shared driveway tract (Tract B). The residential density is 7.5 dwelling units per net acre. The property is bordered to the south by NE 5th Pl, to the east by Ilwaco Ave NE and to the north by NE 6th St. The abutting roads would be widened and improved with half street frontage improvements. The applicant is also requesting a modification from street improvements within the pipestem portion of the existing lot along NE 6th St in an effort to defer construction of most right-of-way improvements until development along Hoquiam Ave NE occurs to allow for alignment to match the existing NE 6th St on the west side of Hoquiam Ave NE. A 5-foot wide sidewalk within the pipestem portion has been proposed by the applicant. No critical areas were identified on the subject property. The applicant is proposing to retain four (4) of the 53 existing onsite trees. The project development would utilize and extend existing public utilities through the site. Approximately 465 cubic yards would be cut and placed over the stormwater vault tract for landscaping. The applicant has submitted a Wetland and Stream Assessment, Arborist Report, Geotechnical Engineering Study, and a Preliminary Technical Information Report with the application. This project was re-noticed due to revisions to the proposed site plan/layout.

**PROJECT LOCATION:** SW Corner of NE 6th St and Ilwaco Ave NE (APN 1023059230)

**PERMITS/REVIEW REQUESTED:** Short Plat

**APPLICANT/PROJECT CONTACT PERSON:** Darrell Offe, Offe Engineers / 13932 SE 159<sup>th</sup> Pl / Renton, WA 98058 / 425-260-3412 / darrell.offe@comcast.net

Comments on the above application must be submitted in writing to Clark H. Close, Senior Planner, Department of Community & Economic Development, 1055 South Grady Way, Renton, WA 98057, by 5:00 p.m. on May 25, 2016.
